- Learned Basic and Advanced concepts of Core java, MySQL,HTML.
- Course will cover Advance java, CSS, spring boot, Angular.

Bachelor degree in Engineering
AISSMS COE

06/2018 - 07/2022   *(9.15 CGPA)Pune,India*

Courses

- Mechanical

12th
Vishwakarma Institute of technology

06/2016 - 05/2018   *(79.85 %) Pune,India*

Courses

- Science

10th
Sambhaji Rao shinde Prashala

05/2015 - 05/2016   *(79 %) Solapur,India*

PERSONAL PROJECTS

Personal Portfolio (11/2022 - 12/2022)
- **https://rushikeshkota201.github.io/rushikesh/**
- I had created Personal Portfolio, which includes the technology of HTML5,CSS3 and basics of JavaScript.
- I had learned how to implements different tags in HTML5 and how to use properties of CSS3. This project gives me idea how to create an website and also i learned how to use Developer Tools like VS code, Eclipse IDE.

Experimental Study of Copper Electrodes on EDM machine. (08/2021 - 06/2022)
- In this Project we had took 3 cupper electrode with different composition of alloying Materials, We had find out Material Removal Rate (MRR) , TOOL WEAR RATE (TWR) for different operating condition, we had varied Voltage(V), pulse on time(t) and current (A).
- 2nd Rank in Inter college level project competition.
- Team Leader for FINAL Year Project.

design of knuckle joint for the piston rod and crosshead of rail engine. (09/2020 - 06/2021)
- Successfully calculated different parameters in knuckle joint and designed knuckle joint in Catia V5 and done stress distribution study in ansys.
- 3rd in clg project level.

SKILLS

Core Java   MySQL   HTML5   CSS

AWS (Basics)   Data Structures and Algorithms

CATIA v5   SOLIDWORKS   AutoCAD

ACHIEVEMENTS

2nd rank For inter collage Level Project Competition for BE (08/2021 - 06/2022)
Our project was came under research and development , we had tried to make material that will have least wear rate and it should be more reliable and it should be used by industry also.

ORGANIZATIONS

NSS (06/2018 - 04/2019)
I was Core Committee Member in NSS for given period in which I had mainly tried to connect with social people and experts of different departments.

CERTIFICATES

Java Programming (11/2022 - 11/2022)
i had learned basic concepts includes Access specifiers, Arrays, OOPs concepts, collection frameworks, Exception handling, Multi-threading.
